

On Thursday, St. Andrews football team took on Osournby in a 1-1 draw.

We deserved to win the match as we did tactical passes all game. Unfortunately for Kai and the team we couldn't help conceding a kick out the hands of the keeper that went in. Aaron had a break through from there bad clearance and put it in the net although it got disallowed goal because of shirt pull. Luke claimed this free kick and put it high in the corner but there keeper pulled a save out of the top drawer. After many times of asking Nathan finally found the net, we came up with a great boot out of the hands of Kai that came straight down in front of Luke who unselfishly put it in front of Nathan who finessed it through the legs of the keeper. We were able to play out the 1-1 draw.
