

St. Andrews VS William Alvey

In a thrilling event the match began with Joshua Savill as our captain; within the first $\frac{1}{4}$ Ellie had scored an amazing lead of 4-2 but as the 2nd and 3rd quarter the Alveys began to catch within the 3rd quarter we scored 2 more goals pulling back into the lead the final quarter was an easy win as the opponents were tiring.

So our final score we won the match with 7-5 as the final standings we had a gracious victory.
