- My child will arrive with all they need for the day secure in a bag they can carry. (Only if needed)

Health risks

- I understand that the school and parents/carers need to undertake as stringent practice as possible to reduce the risks of transmission of the virus (and other illnesses).
- I understand that the adults working in the school will try to maintain common sense in terms of social distancing whilst working with the children; however, they are caring for the children and therefore may work closer than 2 metres with them.
- I understand that whilst the school and all staff will endeavour to regularly clean the areas used; will engage in frequent hand washing and will abide by rules for clothing/showering etc. we are unable to guarantee a virus-free school.
- I will shower/bath my child, including their hair, when they get home (to reduce the risk of transmission).
- I understand that my child will be using hand sanitiser gel frequently through the childcare session. I will provide hand cream (labelled) if my child's hands become sore.

Clothing/personal items

- My child will wear clean school uniform each day (to reduce the risk of transmission). If shoes are too small the wearing of alternative closed toe shoes will be permitted; please contact Mr Hodgson to clarify. We do have

PTFA donated uniform to help families if children have grown out of trousers sweatshirts and polo shirts. These will be made available outside school from Wednesday 27th May.

- All infant children will be provided with a break time snack and a packed lunch.
- Year 6 FSM children will also be provided with a packed lunch.
- My child will not bring any items to the school from home with them except necessary medication (handed to member of staff on arrival).
- Packed lunches from home will be in a wipe down lunch box and water bottles will also easily to clean.
- I understand that all bags a child brings to the school with them will be hung in the cloakroom and not taken in to the hall or classroom.

Medication/Illness

- I will not bring my child to the school if they have any symptoms of coronavirus or if anyone in the household has symptoms. I will isolate my child and the whole household for 14 days if this is the case and will inform the school immediately by email to head@st-andrews.lincs.sch.uk.**
- I will not bring my child to school if I am in any doubt whether they are showing symptoms of other illnesses (e.g sickness etc).**
- If my child has medication for asthma, allergies or other conditions, I will ensure that they have the medication with them every day in a labelled container.
- I understand that this medication will come home every day (in case the school has to close without notice). It is my responsibility to ensure that the medication is in date.
- I understand that if my child needs any other form of medication, I will need to complete a 'Medication Form' (available via email). Administration of medication will need to be agreed by the headteacher/senior leader on duty.
- I will inform the member of staff on arrival if I have given my child any medication e.g. Calpol, before they come to the school.
- I understand that if my child becomes unwell during their time in the school, they will be immediately placed in isolation (in accordance with government guidance) and I will be contacted and asked to collect them as soon as possible. If I can't be reached, the other contacts given will be called – I have ensure these are all up-to-date.
- I understand that the school staff will not have to prove or justify their decision about a child's illness. If they think a child is unwell they will act accordingly.
- I understand, and give my permission, that if my child falls dangerously ill the staff will contact medical services as well as contacting me.

Coronavirus symptoms (as of 21st May 2020)

- I have read, understood and know the symptoms associated with COVID-19 (mentioned below) as of the date above.
- I will continue to educate myself with the changes to these symptoms as more medical evidence is gathered.

Main symptoms

The main symptoms of coronavirus are:

- high temperature – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- new, continuous cough – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- loss or change to your sense of smell or taste – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

Most people with coronavirus have at least one of these symptoms.
