Where copyright legislation in a location includes a remunerated scheme to permit educational institutions to copy or print any part of the resource, we will claim for remuneration under that scheme where worksheets are printed or photocopied by teachers for use by students, and where teachers direct students to print or photocopy worksheets for use by students at school. A worksheet is a page of learning, designed for a student to write on using an ink pen or pencil. This may lead to an increase in the fees for educational institutions to participate in the relevant scheme.

Series D – Time

Contents

Topic 1 – Telling time (pp. 1–8)	Date comp	oleted
o'clock and half past		/
quarter to and quarter past		/
 five minute intervals past the hour 		/
five minute intervals to the hour		/
• digital		/
coded clocks – apply	/	/
 claim the times – apply 	. /	/

Topic 2 – Measuring time (pp. 9–16)

• am and pm	/	/
• time facts	/	/
time trails	/	/
calendars	/	/
• timetables	/	/
• calendar dates – <i>solve</i>	/	/
• calendar match – <i>apply</i>	/	/

Series Author:

Nicola Herringer

Telling time – o'clock and half past

Complete these labels of the clock hands by writing these words in the correct places – *long*, *short*, *hours*, *past*, *to* and *o'clock*:

Draw the hour and minute hands on each clock to show the correct time:

1

Telling time – quarter to and quarter past

Draw a line to connect each clock to its time label. Each clock has more than one label.

ΤΟΡΙΟ

Telling time – five minute intervals to the hour

ТОРІС

4

SERIES

Digital time is always read as minutes past the hour. This digital time could be read as 24 minutes past 8 *or* eight twenty four. Digital clocks often display a zero when the hour is a single digit.

Draw a line to connect each of these digital times to how they could be read:

Telling time – digital

4 When we read out digital time, we read the digits left to right. Complete the table to match how we say digital time to what it means. The first one has been done for you.

74:68

The time is four oh six.

	Digital time	How we say it	What it means	
а	01:07	one oh seven	7 minutes past 1	
b	03:02			
С	05:17			
d	(12:15)			

Colour match the times to each digital clock:

Coded clocks

Solve the riddle below by finding the matching letter for each amount of minutes, *to* or *past* hours on the clock face.

Riddle: What did the sock say to the foot?								
25 to	20 past	10 past		10 to	15 past	25 past		
20 to	10 past	15 to	quarter to	30 past	five past	five to		
	o'clock	25 past		20 past	5 past			

Claim the times

Getting

ready

This is a game for 2 players. You will need a copy of this page, a die and 10 counters each. Choose a different counter colour for each player.

apply

Roll the die and move clockwise around the game board. You must claim a digital time that comes between the 2 clocks that you landed on. You do this by placing your counter on the digital time. Keep moving around the game board until one player has no counters left. This person is the winner.

THINK

TOPIC

SERIES

It is important to learn these time facts:	60 seconds = 1 minute
	60 minutes = 1 hour
	24 hours = 1 day
	7 days = 1 week

1	Us	se the information al	pove to answer these	:			
	а	hours in 1 day	=	b	hours in 2 days	=	
	С	minutes in 2 hours	=	d	days in 2 weeks	=	
	е	seconds in 1 minute	=	f	seconds in $\frac{1}{2}$ a minute	9 =	

Estimate how many seconds it takes for each activity. Then, use a timer or a stopwatch and record how long each activity actually takes.

	Activity	Estimated time	Actual time
а	Say the alphabet at normal speed.		
b	Write your name neatly 3 times.		
С	Do 20 star jumps.		
d	Drink a glass of water at normal speed.		
е	Roll a die 6 times and record each number.		

3 Use your basic time facts to work out who took longer. Circle the correct answer:

а	Max took 75 seconds to brush his teeth. Milly took $1\frac{1}{2}$ minutes.	Max / Milly
b	Charlie completed the hike after 130 minutes. It took Claire 2 hours.	Charlie / Claire
С	The Darnleys went on holiday for 22 days.	

Measuring time – time trails

SERIES

TOPIC

Measuring time – time trails

A calendar shows how the year is organised into months, weeks and days.

One year can be thought of as 12 months long *or* 52 weeks long *or* 365 days long (sometimes 366 days long).

Answer the questions about the first 2 months of the year.

January								
Sun	Sun Mon Tue Wed Thu Fri							
				1	2	3		
4	5	6	7	8	9	10		
11	12	13	14	15	16	17		
18	19	20	21	22	23	24		
25	26	27	28	29	30	31		

February								
Sun	Mon	Tue	Wed	Thu	Fri	Sat		
1	2	3	4	5	6	7		
8	9	10	11	12	13	14		
15	16	17	18	19	20	21		
22	23	24	25	26	27	28		

- **a** How many school days are there in February?
- **b** What day of the week is the 20th January?
- c How many Mondays are there in January?
- **d** What is the date of the last Wednesday in February?
- e What dates is the third weekend in February?
- f What day of the week is the 1st of March?

A timeline shows the order of events. Draw a line to match each of the events of Mick's party to the timeline. The first one has been done for you.

Measuring time – timetables

5:15 am	Wake up, have breakfast
6:00 am	Feed the lions and tigers
6:30 am	Wash the elephants
7:00 am	Clear out reptile cages
9:00 am	Weigh the baby penguins and record their growth
10:15 am	Train the seals to cartwheel
11:30 am	Play with the pandas
12:30 pm	Lunch
1:30 pm	Guide a school tour
2:45 pm	Bottle feed the baby possums
3:15 pm	Scrub the shells of the giant tortoises
4:00 pm	Give a talk on endangered animals
5:00 pm	Guide a twilight tour
6:00 pm	Close zoo gates

- a How long does it take Zara to feed the lions and tigers?
- **b** At 8:00 am, what will Zara most likely be doing?
- **c** Zara washes the elephants at _____.
- **d** How long does it take to weigh the baby penguins and record their growth?
- e Zara spends _____ minutes training the seals.
- **f** How long does a guided school tour go for?
- **g** What does Zara do at a quarter past three?
- **h** How long does the talk on endangered animals go for?

What is Zara doing at each of these times?

Calendar dates

For this challenge, you just need this page and a pencil.

For each question read the clues and write the answers below:

September								
Sunday Monday Tuesday Wednesday Thursday Friday Satu								
		1	2	3	4	5		
6	7	8	9	10	11	12		
13	14	15	16	17	18	19		
20	21	22	23	24	25	26		
27	28	29	30					

October						
Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
				1	2	3
4	5	6	7	8	9	10
11	12	13	14	15	16	17
18	19	20	21	22	23	24
25	26	27	28	29	30	31

November						
Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
1	2	3	4	5	6	7
8	9	10	11	12	13	14
15	16	17	18	19	20	21
22	23	24	25	26	27	28
29	30					

- a If today is Saturday,
 19th September, what is
 the day and date 2 weeks
 from now?
- b If today is Monday, 5th October, what is the day and date 3 weeks from tomorrow?
- c Sally's birthday is on
 21st September. Ellie's
 birthday is 3 weeks earlier.
 What day of the week is
 Ellie's birthday?
- d Harley's birthday is on 25th October. Toni's birthday is 10 days after Harley's. What date is Toni's birthday?

Calendar match

Getting

ready

What

to do

This is a race for 2 players. You will need a copy of this page because you will need to cut out the cards below.

Cut out the months of the year cards (there are 24). Shuffle them

,			
January	January		
February	February		
March	March		
April	April		
May	May		
June	June		
July	July		
August	August		
September	September		
October	October		
November	November		
December	December		

and lay them face down. Take turns to draw a card and tick off an item on the checklist. The person who ticks off all their items first wins.

Checklist

- **1** The 8th month of the year.
- 2 Your birthday month.
- **3** The month before Christmas.
- 4 2 months after July.
- **5** 3 months before February.
- 6 A month with 31 days.
- 7 A month that has a different number of days in a leap year.
- 8 A month with 30 days.
- **9** The 10th month of the year.
- **10** The month of Christmas.
- **11** 4 months after April.
- **12** The 11th month of the year.
- **13** This month starts with 'O'.
- **14** This month starts with 'M'.
